

ANNUAL SNAPSHOT | 2021-2022

The UArizona Sonoran Center for Excellence in Disabilities has been working in partnership with Arizonans experiencing disability for more than 15 years. We reached more than **81,775** individuals through outreach, community education, model programs and information dissemination, and created meaningful changes in lives and systems. During this year, we leveraged **41** grants, contracts and other funds totaling **\$2,780,921** to support and expand our work.
