

ANNUAL SNAPSHOT | 2024-2025

The Sonoran Center for Excellence in Disabilities works every day to make an impact in the lives of people with disabilities and their supporters. Through our ongoing efforts in education, research, and service, to we drive progress to ensure individuals with intellectual and developmental disabilities have the supports they need to fully participate in the vibrant life of our community. This year we reached more than **40,000** individuals and leveraged **33** grants, contracts and other funds totaling **\$3,056,996** to support and expand our work.
